

Do you have a **Health Savings Account (HSA)** as part of your **benefits**?

If you do, our HSA administrator is now requiring all accountholders have an email address associated with their account.

SO, WHAT DO YOU NEED TO DO?

If you already have an email address tied to your account, no action is needed!
If you aren't sure or know you need to add one:

- 1 Log into your account at <https://hsaa.ipx-sys.com>
- 2 Click Profile

- 3 Under Contact Information, scroll to the bottom and add your email address

Email Address(es)

Primary Email *	<input type="text"/>
Confirm Primary Email *	<input type="text"/>
Receive email notifications?	<input checked="" type="checkbox"/> Yes

- 4 Click Save Changes
