Pain management resources
Visit Cigna.com/helpwithpain or text 25792 to receive tips for healthy pain management.

1. Plans may vary and not all preventive services are covered. For example, immunizations for travel are generally not covered. Other non-covered services/supplies may include any service or device that is not medically necessary or services/supplies that are unproven (experimental or investigational). See your plan materials for a complete list of covered preventive care services.
2. The Answers by Cigna skill is for informational and educational purposes only. You are encouraged to consult a licensed insurance agent and review your plan documents for the details of your specific health plan or insurance policy.
3. The downloading and use of the myCigna Mobile App is subject to the terms and conditions of the App and the online store from which it is downloaded. Standard mobile phone carrier and data usage charges apply.
4. Telehealth services are provided by independent third-party providers. These services are provided exclusively by such third-party providers, and not by Cigna. Providers are solely responsible for any treatment provided. Not all providers have video chat capabilities and video chat is not available in all areas. Telehealth services may not be available to all plan types or in all areas. A primary care provider referral is not required for this service.
5. This chart is for illustrative purposes only and is not medical advice. Actual costs and wait times may vary. Always consult your doctor for appropriate examinations, treatment, testing and care recommendations, including prior to choosing a provider for care. In an emergency, dial 911 or visit the nearest emergency room.
6. Some Healthy Rewards programs are not available in all states and programs may be discontinued at any time. If your plan includes coverage for any of these services, this program is in addition to, not instead of, your plan benefits. A discount program is NOT insurance and you must pay the entire discounted charge.
