Where can I have my order shipped?

Cigna Home Delivery Pharmacy can ship your order to your home or another address in the U.S., Puerto Rico, or the Virgin Islands.

How much does shipping cost?

There’s no extra cost for standard shipping. However, there is an extra cost to rush delivery of your order.

Are the medications Cigna Home Delivery Pharmacy fills the same quality as what I’d get at a retail pharmacy?

Yes. All medications Cigna Home Delivery Pharmacy fills through home delivery are approved by the U.S. Food and Drug Administration (FDA). Your medication may look different from what you’re used to getting at your retail pharmacy. That’s because different manufacturers can make the same medication. If Cigna Home Delivery Pharmacy gets your medication from a manufacturer your current pharmacy doesn’t use, your medication may be a different shape, size and/or color. If you have any questions about the medication you get, call us. We’re always happy to review your medication with you.

How safe is it to have my medication shipped through home delivery?

It’s very safe to fill your medication through home delivery. Cigna Home Delivery Pharmacy’s packaging is designed to protect your privacy and stand up to bad weather. And if your medication needs refrigeration, they provide that, too. Cigna Home Delivery Pharmacy will ship to your home or workplace – or even to a vacation location – to make sure you get your medication when and where you need it.

Can I refill my prescriptions online?

Yes. You can refill your prescriptions on myCigna. Simply click on the Prescriptions tab, then select Manage Prescriptions.

What are my payment options?

You can pay by debit or credit card (American Express, Discover, MasterCard or Visa) or by check.

What do I do if I have a question about my medication?

You can talk with a Cigna pharmacist at any time, 24/7. Simply call 800.835.3784.

How can I be sure that Cigna Home Delivery Pharmacy will fill my prescriptions correctly?

All prescriptions are filled by licensed pharmacists. They follow the same state and federal guidelines that retail pharmacists do.

Before filling my prescriptions, will Cigna Home Delivery Pharmacy check to see if my medications interact with each other?

Yes. Everyone who uses Cigna Home Delivery Pharmacy must provide information about his/her allergies and health conditions. Our pharmacists will review this information before they fill your order. If it looks like your medications may cause a serious or dangerous health issue when taken at the same time, the pharmacist will contact your doctor’s office to talk about your options.

My generic medication only costs me $6 a month at my local retail pharmacy. How much will I pay for it through home delivery?

You can log in to the myCigna app or website and click on “Price a Medication” to see how much your medication will cost you. You can also see if there are lower-cost alternatives available.*

My medication has to be kept cold. Will Cigna Home Delivery Pharmacy be able to do this?

Yes. If your medication needs to be refrigerated, Cigna Home Delivery Pharmacy will send it with dry ice.
