We all have our own opinions and beliefs. But how do you react when yours differ from someone else’s? Wired tendencies make it easy to dismiss or put down different viewpoints. What if you could respectfully engage instead? This vital professional and personal skill is one you can develop. Join us to experiment with stepping outside our comfort zones and challenging our biases. We'll actively work on connecting with openness and curiosity.

Wednesday, April 4, 2018
2 pm ET / 1 pm CT / 11 am PT

Log in to register for this seminar at: www.Cigna.com/EAPWebcasts

On-demand replay will be available starting 2 hours after the live presentation.
