It is the responsibility of the employee to enroll in one of the University's medical insurance plans or waive coverage no later than 31 calendar days after his or her employment start date in the Benefit Express portal. If an employee fails to comply with this requirement, the University will understand this to mean the employee is declining medical insurance coverage and may not enroll until Open Enrollment unless there is an eligible status change. Staff who waive University health insurance may receive 5 additional vacation days or \$500.

## Health Savings Account (HSA)

If electing one of the High Deductible Health Plans (HDHPs), the University will contribute to the HSA. Employees may also contribute.

## Health Advocate

This is a University-paid benefit which helps employees, their spouses, dependent children, parents, and parents-in-law navigate the health care system.

## Retirement Plan

All employees are eligible to make pre-and/ or post-tax contributions (whole percentage) to the University's 403(b) retirement plan.

After one year of employment, 1000 hours of service, and reaching age 21, the University will contribute the equivalent of 5% of an employee's salary to their retirement plan. The University will also match every 1% contribution made by the employee, up to a maximum of an additional 5%.

If, prior to being hired at the University, an employee has served the previous immediate twelve (12) months at an institution of higher education, the one year waiting period for University contributions will be waived. For more information regarding the University's retirement plan, go to: [www.tiaa.org/richmond](http://www.tiaa.org/richmond).
