If you have been identified as a close contact of someone who tested positive for COVID-19 ... i.e. living in the same household as, providing care for, having been within 6 feet for 15+ minutes of, or having exposure to respiratory secretions (coughing, sharing utensils, kissing) of a person with COVID-19

Are you vaccinated?

Yes

Are you experiencing COVID-19 symptoms?

Yes

Do NOT come to campus.
Take COVID-19 or sick leave if remote work is not possible until you receive a negative test.
Get tested for COVID-19.
Report you are awaiting results to the COVID-19 Support Center.

No

Work remotely if possible until you receive a negative test. Wear a mask on campus and in public spaces.
Get tested for COVID-19 3-5 days after exposure.
Report you are awaiting results to the COVID-19 Support Center.

No

Report you are awaiting results to the COVID-19 Support Center.

PLEASE NOTE:
If you are unvaccinated AND are experiencing symptoms of COVID-19, DO NOT come to campus regardless of known exposure.
Get tested for COVID-19 and contact the COVID-19 Support Center.
If you test negative AND remain symptom-free, quarantine for 14 days. If you test positive, isolate at home for 10 days.
